Killed by Train

The remains of Eugene Hamlet, a former resident of Morrisville, were brought here last Thursday for burial in Riverside cemetery. They were accompanied by his wife, formerly Mrs. Gertrude Dingwall, daughter of the late Daniel Dingwall, and Mr. and Mrs. Harry Dingwall of Barre.

The deceased was found dead on the railroad track near Braintree, June 20, both legs being crushed. The supposition is that he was run over while walking on the track, or fell from a freight train, as he was seen at Bethel the day before in company with Richard Jacobs, and the men were trying to get conveyance to Braintree.

Mr. Hamlet was well known in this vicinity, having been employed in this section for several years. Both he and his wife were employed at the farm home of Jefferson Churchill, and they had been formerly employed by E. G. Foss, when the latter was in the hotel business in Morrisville.

Took Sulphate of Zinc

Mrs. Emma Marvin of Maple street took a dose of sulphate of zinc last Friday thinking it was salts. Although the two are very similar in looks and taste, Mrs. Marvin discovered her mistake a short time after taking the poison and took an emetic before going to a neighbor's to call a physician. Although quite ill that day her many friends will be pleased to know that she is now fully recovered.

Misses Charlotte and Evelyn Camp are ill, suffering from chicken-pox.

Many from this vicinity will attend the celebration at Johnson next Monday.

A telephone has been installed in the office of Dr. W. M. Johnson. The number is 153.

Misses Zita and Teresa Towne have gone to Lake Dunmore, where they have work for the season in a summer hotel.

The Swanton Board of Trade and Village Trustees will come to Morrisville next Friday to inspect the municipal lighting and power plant at Cady's Falls.

Roy Clark received serious injuries to his right hand last Saturday as he was helping to unload a trunk. His hand came in contact with a piece of tin and was so badly cut that a physician took several stitches in dressing the wound.

Mr. and Mrs. Lyman L. Camp are in Richford today to attend the marriage at 7:30 o'clock this evening of their granddaughter, Margaret Esther Puffer, daughter of Mr. and Mrs. Henry Puffer, and Donald Woodworth McClelland, professor of the high school at Richford.

HYDE PARK

More Hyde Park news on pages 3 & 4. Miss Jessie Richard of Concord, N. H., spent Sunday here with her friend, Miss Carolyn Smith.

Misses Flora and Laura Bequette, and their brother Dolor, are visiting relatives in Iverville, P. Q.

Marshall Shattuck has resigned his position as porter at the Inn and is succeeded by Fred Noble.

Hon. C. D. Watson and Gen. L. S. Tilton of St. Albans are in town, visiting a case in county court.

Miss Frances Gonyer of Orono, Maine, came to town Saturday night to spend the summer with her mother.

F. P. Keeler is receiving treatment at the Mary Fletcher Hospital. Late reports are that he is improving.

Jos. Lapage, Jr. of Cass City, Minn. dropped into this village this morning and is having a fine time renewing old acquaintances. He notices many changes in both the place and the place. "Joe," although "not as young as he used to be," stands the wear and tear of time remarkably.

Lester Boomhower, of Brooklyn, Conn., an old time resident of this town is visiting here. Mr. Boomhower was 90 years old the 10th of this month and is observing that event by visiting relatives and friends in Montpelier, Swanton, Canada and this place. A splendid man is good Mr. Boomhower and his friends are all glad to see him.

The work of oiling the principal streets of the village was done last Monday by the Standard Oil Co. A good coating of black oil has been applied and for a few days the air was not exactly as salubrious as some would desire. There are all sorts of opinions regarding the work, some approving and others disapproving, with still others saying "I told you so!" Well, we will see what we will see, as to the results.

Broke Her Arm

Mr. and Mrs. Will Harris visited at Mayor Chaplin's in Mud City Sunday and in returning home Mrs. Harris drove while Will lit his pipe. At that time they passed a herd of cows, that is they past all but one and that animal struck the wagon, causing the forward wheel to cramp and collapse, throwing the occupants out. Mrs. Harris had her right arm broken near the shoulder and Will was considerably bruised on all parts of his body. On reaching home Mrs. Leach and Stevens were called and made the injured parties as comfortable as possible. Mrs. Harris' injury is of such a serious nature that it was deemed advisable to take her to Burlington, to which place she went Tuesday for the purpose of having an x-ray investigation.

The old Scofield mill has been fitted up in splendid shape for this new enterprise and with modern machinery and skilled workmen the best results are assured. The factory is owned by B. Rutstein & Sons, who have three other factories of this kind. The work of fitting up the plant has been under the supervision of R. T.
